(A detailed description and structured outline, including time allocations per topic.)

6. Pedagogy

(Statement of goals and anticipated learning outcomes)

Proposer Information (Presenter 1)

7. Name

8. Affiliation

9. Designation

10. Email

11. Country

12. Personal / Professional webpage

13. Short biography

(max 1200 characters)

14. Relevant publications of Presenter

15. Relevant Projects / Products by Presenter

16. Previous tutorial teaching experience

17. Links to relevant publications or talks

18. Whether the presenter is the main contact person for their team

Yes

No

Proposer Information (Presenter 2)

19. Name

20. Affiliation

21. Designation

22. Email

23. Country

24. Personal / Professional webpage

25. Short biography

(max 1200 characters)

26. Relevant publications of Presenter

27. Relevant Projects / Products by Presenter

28. Previous tutorial teaching experience

29. Links to relevant publications or talks

30. Whether the presenter is the main contact person for their team

Yes

No

Proposer Information (Presenter 3)

31. Name

32. Affiliation

33. Designation

34. Email

35. Country

36. Personal / Professional webpage

37. Short biography

(max 1200 characters)

38. Relevant publications of Presenter

39. Relevant Projects / Products by Presenter

40. Previous tutorial teaching experience

41. Links to relevant publications or talks

Tutorial Description

42. Target Audience

(Check all that apply)

Students

Researchers

Industry Professionals

Practitioners

Motivation and Relevance

43. Abstract

(max 1500 characters)

44. Detailed Outline / Agenda

(max 1000 characters)

45. Learning Objectives

46. Target Audience (describe)

47. Prerequisites

48. Why is this tutorial timely?

(max 500 characters)

49. Why is the tutorial relevant to the ICVGIP community?

(max 500 characters)

50. What gap does the tutorial fill?

(max 1000 characters)

51. Potential applications of the knowledge gained

52. Major references

(max 10 references)

53. Expected number of attendees

Resource Requirements

54. Expected benefits to attendees

(max 500 characters)

55. Audio/Visual Requirements

56. Internet Requirements

57. Computing Requirements

58. Any special arrangements needed
